Dear Ben

**Planning Application 2023/3423
Kenilworth Court, Lower Richmond Road SW15**

The Putney Society appreciate that these new lodges will restore the symmetry of the Kenilworth Court gateway and as such should be supported.

The reconstituted stone details want to match the colour of the terracotta on the original blocks of flats rather than the somewhat brighter caps now on the gate piers.

We note that in recent years it has been the habit for a car to be parked on the kerb behind each gate post. At one time these were car club vehicles. The new plan omits these, but we believe it would be beneficial for the appearance of the Embankment conservation area if the removal of any right to park outside the gates could be confirmed a condition.

Yours Sincerely

Andrew Catto
