Dear Mr Bradley

**Planning Applications 2022/3757, 3758 & 3759  
111-117 Putney High Street**

The Putney Society has lost count of the number of applications we have seen for variations on the development of this corner site since the first comment in 2018. But there is a recurring theme that these three new applications, we presume by the tenant of the upper floor, continue which is always to want to make it a little bit bigger.

We would remind the council that the original consent was only granted after omission of a large pavilion from the roof to resolve problems of overbearing, overlooking and loss of daylight for neighbours. Please ask the original case officer Daniel Piercy for the history.

The new 'canopy' looks remarkably close to being the same pavilion, but with an openable (and closable) roof. If it was too big then, it's too big now.

Yours Sincerely

Andrew Catto,  
Buildings Panel Convenor  
For and on behalf of the Putney Society.
